Adopt-a-Child

We have children waiting for someone like you to make their holiday memorable.

Children In Need

Thoughts of the holidays can bring wonderful memories of family, friends and giving. But often many children won't experience the excitement of receiving gifts during the holidays. Northeast Guidance Center's Adopt-a-Child program provides someone like you an opportunity to bring joy to our neediest children who receive services at NEGC and may have serious emotional disturbances or live with a parent who has a mental impairment.

Making Wishes Come True

Adopt-a-Child matches individuals, families and organizations with NEGC children ages newborn to 17 years. We have many children who are hoping to be adopted by a caring individual or group.

Wish list items often include clothing, books, gift cards, art supplies, journals, toys and a family game. You can make a difference by adopting a child or making a monetary donation.

100% of your donation goes directly to bringing joy to the children we serve.

How Adopt-a-Child Works

Adopt-a-Child

Notify Northeast Guidance Center that you would like to adopt a child (call, email or return the Request Form).

Starting in **November** you will be contacted with the wish list of the child or children you adopt. Then shop, wrap and return the gifts. We'll give you all the details!

Make a donation

Donations help NEGC staff buy wish list items for you. Usually \$50 is sufficient to purchase most items on a child's modest wish list.
